—The musicals, to be given next Wednesday evening, at Cannon's hall, will be an interesting event to the lovers of music in Jamesville. Mrs. St. John and Mrs. Bintliff will spare no pains to make the musical one of special interest.

—There was a very thin audience at the opera house to witness the plays "Editha's Burglar" and "Combustion." The company is a good one deserving better patronage. A one horse minstrel troupe will probably visit the city soon, and no doubt will be greeted with a full house.

—To-morrow will be Children's day in the Presbyterian church, and the morning service will be devoted to the little ones. "Besides larger measure of singing there will be given an exercise by Mrs. J. H. Kieney's primary class, and a short address by the pastor from a visible text."

—Miss Maggie Brown, daughter of Mr. and Mrs. Richard Brown, Washington street, first ward, is very low with consumption, and is not expected to long survive. Miss Brown spent the last winter in Florida, in the hope of benefiting her health and staying the dreadful disease, but it seems the change of climate resulted in no good.

—A private letter from the pen of Col. Burr Robbitt says that the show is running smoothly and meets with the hearty endorsement of the press and people. He writes that one of their employees, known in Jamesville by the name of Dutchy, was seriously kicked by a horse a day or two ago. The show goes into Pennsylvania on the 25th inst. and will be in Pittsburgh the 3d, 4th, and 5th of July.

—Mrs. Adam Andre, who resided on Bluff street, second ward, some fifteen or twenty years ago, died at her home in Delavan on Friday, June 6th, and was buried on the following day. The deceased was one of the early pioneers of this county, being one of the first to settle in the town of Fulton. She had many acquaintances in this city, where she resided for many years previous to her removal to Delavan. For some years past the deceased was troubled with a diseased mind, which resulted in her death.

—The Mutuals went to Beloit yesterday and were defeated by the College club—20 to 11. The Mutuals played in hard luck from the start, which, together with several critical errors enabled the College club to roll up a large score of unearned runs. Such misfortunes will happen to the best of clubs, but nevertheless our players are not disheartened, and will still show, as they have done before, that they can play good ball. Arrangements have just been completed with one of the best clubs in Chicago, for a game on the 4th and 5th of July.

—It is quietly whispered among the knowing ones, that there will be two professional running base companies in this city on the Fourth of July, one from Kalamazoo, and one from Oshkosh. The Oshkosh and Kalamazoo teams have been waiting for a good chance to try their speed together, and now that the Kalamazoo team are in possession of free rail-

road transportation to St. Paul, via this city, they signify their willingness to lay over in this city on the Fourth, and show the Oshkosh boys how to spin a pair of wheels on a 300 yard track. The Oshkosh boys are willing to come to time with the Stockbridge ball-players, and make it lively for the Volunteers.

—In the course of events, next week, none will be of more substantial interest and pleasure than the State Catholic Temperance convention, to be held in this city on Wednesday and Thursday, June 18-19. The Jamesville society are perfecting arrangements for the same which speaks much for its success, as what is done by them is always done well. On Wednesday evening, at the open house, speeches by able orators, and music by the Boyer City band, will constitute the programme; on Thursday a grand street parade, to Oak Lawn, where a picnic will be held, and dinner, prepared by Parker & Evenson. The festivities will close by a ball in the Guards' armory in the evening. Smith & Corlies' band will be on hand, and Shurtleff will supply the "inner man." The public is invited, and should encourage the cause by lending their presence, and joining in the good time for all, at the opera house, picnic, and ball.

THE COURTS. CIRCUIT COURT. Judge Bonsett opened the circuit court this morning, the first business being the conviction of Mrs. Dollan Milligan, sentenced of adultery. The sentence was that she pay a fine of two hundred dollars, and the costs of this action, the costs amounting to one hundred dollars forty cents, and that she be committed to the county jail until fine and costs are paid, but such imprisonment not to exceed five months and twenty-five days, from 12 o'clock this date.

Warren Helm, convicted of larceny of six pipes, was sentenced to pay a fine of one hundred dollars, and the costs of this action, one hundred seventy-five dollars and sixty-seven cents, and that he be committed to the county jail until fine and costs are paid, but such imprisonment not to exceed five months and twenty-five days, from 12 o'clock this date.

Edward Broderick, convicted of "larceny from the person" was sentenced to state prison at hard labor for the term of two years. The defendant's attorney presented a petition to the court, signed by forty residents of the city, asking the Broderick's sentence might be a fine or imprisonment in the county jail. The petition was ordered placed on file.

One branch of the case of J. H. Reigart against Channey Rose, trustee, is on argument before the court this afternoon, John Winslow, Esq. for defendant, and Wm. Rager, Esq. for plaintiff.

MUNICIPAL COURT. District Attorney Sule filed an information this afternoon against Frank H. Panslow, charging him with adultery with Augusta Luckow, on the 18th of May last. The defendant pleaded not guilty, and upon his statement to the court that he was without the necessary means to procure counsel in his defense and at his request, the court appointed J. B. Doe, Jr., to defend him. The case will probably not be tried for a couple of weeks owing to other business.

PERSONAL.

—Hon. I. C. Sloan, of Madison, was in the city to-day.

—W. F. Carle's grocery store, West Milwaukee street, is the latest addition to the telephone exchange.

The funeral will be held at her late home at two o'clock to-morrow afternoon. Rev. C. E. Goldthorpe, of the First M. E. church, conducting the services.

—Mr. Fred M. Elkin, of the firm of Charles O. Ebel & Co., of Terre Haute, Ind., is in the city, and will commence a thorough canvass, Monday, for a city directory. The firm have been known as directory publishers for the past six years, and their work has the reputation of giving good satisfaction. Jamesville has not had a directory since 1880, and our people will no doubt appreciate the effort of Messrs. Ebel & Co., in providing the city with a valuable work of reference and convenience.

—The Buena Vista Democrat, published at Buena Vista, Chaffee county, Colorado, comes to us under date of June 5th, containing an account of Memorial Day at that place, at which Rev. Father Brennan was the orator. Father Brennan will be kindly remembered by many in this city, he having spent considerable time here about a year ago, and acted as chaplain at the Fourth of July celebration last year. His address is published in the Democrat, and is an able, eloquent and patriotic production.

THE HIGH SCHOOL PARTY.

A portion of the graduating class of the high school were engaged to-day in mailing a neat invitation card, reading as follows:

"Eleventh annual party of the James-

ville High School, at Guards' armory, Friday evening, June 27th, 1884. Floor managers—Victor P. Richardson, Charles T. Pierce, Charles E. Wintermute, Robert M. Bestwick, Smith & Corlies' orchestra. Tickets, one dollar."

Defeated.

The "Mutuals" were defeated by the College vine at Beloit yesterday, and came home feeling somewhat disappointed, and a good deal surprised. That the boys were defeated is a matter of little surprise, under the circumstances. Beloit has many peculiarities and is unlike most cities in almost everything she undertakes. The national game, when played in Beloit, is a victim to those peculiarities.

The game is usually played in an open field, but the town, of which we write, prefers a cool and shady place, so they play in a grove. Base ball can probably be played anywhere else, with a little practice; but the Beloit boys had the advantage of the grove practice yesterday. A disinterested party who witnessed the game, said it was no uncommon thing to see two fielders climbing the same tree for a last ball.

The Mutuals forgot to take along their telegraph pole spurs, and the college nine had the advantage of them. Our boys are now practicing tree climbing, and the next time they go to Beloit the natives will be surprised to see how they got around in the woods.

A Case Not Beyond Help.

Dr. M. E. Hinsdale, Kenosha, Ill., advises us of a remarkable cure of Consumption. He says: "A neighbor's wife was attacked with violent lung disease, and pronounced beyond help from (Quick Consumption). As last resort the family was persuaded to try DR. WALKER'S BALSA FOR THE LUNGS. To the astonishment of all, by the time she had used one-half dozen bottles she was about the house doing her own work."

Step in and See.

"Seeing is believing," and if you don't believe the announcement, in another column, made by the firm of McCullough & Galbraith, step into their store and see. Their stock embraces the latest styles of everything in their line—handwear, footwear, facewear, headwear, neckwear, underwear, overwear, and, in fact, all the necessities and luxuries of the make-up. Their display of dress-hats and bonnets, dazles and pleases the eye and suits the most fastidious taste.

This firm have recently opened a store in Egerton, under the management of Mr. Wm. Gordon and Miss Nellie Connell, who will agreeably meet the demands of all who make them a call. Business is booming; may their prosperity continue.

An Editor's Tribute.

There is a Editor, Editor of Ft. Weyou Ind. "Gazette," writes: "For the past five years have always used Dr. King's New Discovery, for forgets of most severe character, as well as for those of a milder type. It never fails to effect a speedy cure. My friends to whom I have recommended it speak of it in some high terms. Having been cured by it of every cough I have had for years, I consider it the only reliable and sure cure for coughs, colds, etc." Call at F. Shorer & Co's, drug store, and get a Free trial bottle. Large size \$1.00.

Found a Watch.

There has been left at the Gazette office, a watch, which was found near the island above the gas works. The watch has an open countenance unobscured by even a glass cover. It may be the property of a sporting man as it has a stop attachment which seems to be in good working order; the last time it stopped was twenty minutes before five, day and date omitted; it has a grand, father-clock never-to-go-again appearance. If the owner will call and take it away, no questions will be asked.

The Catholic Corner Band.

This band will leave on Monday noon via Freeport for Dubuque, Iowa, where they have been engaged to furnish music for the great military encampment to be held during the week. The band will number sixteen men, all in uniform, and will maintain the splendid reputation in furnishing choice music for the companies. The following gentlemen compose the band, with the instrument played:

Leader—John Thoroughgood, 1st Bb cornet. Frank Brown, 1st Bb cornet. Thos. McKeligue, 1st Eb cornet. H. Bridges, 1st Eb cornet. Gus Weber, 1st Bb cornet. John Cunningham, solo alto. Will Cunningham, 1st alto. Will Cody, 2d alto. F. Higler, 1st tenor. G. W. Mcintosh, 2d tenor. J. W. Foote, baritone. Ed. Cody, Bb bass. J. McKeligue, Bb bass. John Kommit, bass drum. John Brown, snare drum. H. M. Weaver, drum major.

The second largest source of revenue to the U. S. government from any one branch of business, is derived from the production and manufacture of tobacco. Blackwell, Durham Tobacco Co., of Durham, N. C., claims to be the largest manufacturer of smoking tobacco in the world. The reputation of Blackwell's Genuine Bull Durham Smoking Tobacco is so firmly established, that it produces a demand for its goods in every country of our acquaintance at our hands. In another column our readers will notice their new announcement which is of interest to all lovers of the weed. The company are perfectly responsible, and when they announce that they will grow away \$11,850, in one, it is an assured fact that they mean just what they say. Smokers will find an opportunity of combining business with pleasure by reaching their announcement.

Barn On Fire.

An alarm of fire was telephoned to the fire department at 3:30 o'clock this afternoon, the fire being in the barn owned by ex-Alderman J. H. Burns, on Lynn street, in the fifth ward. The fire department, with several thousand citizens, hurried to the scene, but the fire was extinguished before they arrived, by the aid of water from the tank and garden hose belonging to Conductor Eugene Rich, which was next
